Outdoor Learning

A very big thank you to Dave and Jill from East Barnby for leading such a fun Outdoor Learning session on Tuesday. Please see photos on the class pages.

Please remember that we are a nut free school and do not send your child to school with any nuts. Thank you

Class News

Year Two

- Well done to our Year 2 children for a super week of learning. We have enjoyed investigating changing the shape of materials in Science - please see research homework slip for Monday's session.
- We have been enjoying calculating with money in maths - please continue to provide opportunities for your child to count notes and coins wherever possible and even shop or calculate change.

Year One

- Year 1 have enjoyed beginning their egg box dragon models in DT and writing their own version of the story 'The Adventures of the Egg Box Dragon'.
- We have been learning to use our known number bonds to 10 to help us work out number bonds to 20 e.g. if I know that $4 + 6 = 10$ then I know $14 + 6 = 20$ and $4 + 16 = 20$. Please practice these more at home.
- Please can children bring in a smallish box (tissue box/cereal box size) on Monday to make worry boxes for children's mental health week next week.

Reception

- Reception have been very busy this week, learning more about Space. We are still loving being creative and making junk Space models so please keep sending in any clean recycling for us to use (e.g. small box, yoghurt cartons, etc!)
- We have also been talking about how to be a very kind friend.
- Please remember that library folders need to be in school by Thursday morning in order for your child to choose their next book.
