## **CLASS WEEKLY NEWS**

### **Year Two**

- It's been a fun week in Year 2 with lots of New Lunar Year learning. Please see our class page for photos.
- Thankyou to everyone who completed their science research. We have enjoyed discussing the variety of materials that the children have investigated.
- Please see maths homework sheets and new spellings in book bags. As we no longer subscribe to Education City, Year 2 will now be set optional maths homework on Power Maths. Please refer to the login details in book bags this week.
- We have been working really hard on our Katie Morag stories - increasing our stamina for writing.
- Please check your children's book bag for a letter regarding a geography homework task.

### **Year One**

- Wow, what a wonderful week in Year 1. The children will make Mrs Spenceley proud as they have worked hard and coped well with the change in teachers!
- This week, we have made get well soon cards, I am sure these will make Mrs Spenceley feel better.
- In English, we have found out lots of information about Mary Anning and begun to write fact files about her.
- In Maths, we have compared numbers by using the greater than and less than vocabulary and signs.

- In topic, we have created our own fossils using clay, continued with our ICT information books on dinosaurs and completed an amazing dinosaur collage (look out for pictures on facebook next week).
- Please remember to keep up with reading books and practise spellings, it makes such a difference!

### Reception

- Next week we will be taking a brief break from our Space learning to take part in the RSPB Great British Birdwatch using differing sites close to school throughout the week. If your child has a pair of binoculars that could stay in school for the week for our birdwatching, please bring them in on Monday. If your child has any bird identification books at home, please send them in as well! See RSPB website for further details.
